

LED. Gas Pricer

**12
UNIQUE
FEATURES
BY
SUPERIOR
ENGINEERING.**

- 1) Meets IEC (International Electrotechnical Commission) IP65 Enclosure Rating.**
 - o Completely Water Submersible
 - o Epoxy Filled & Balanced
 - o Aerospace Anti-Crack Connectors
- 2) Utilizes the Highest Rated LED's Manufactured by CREE USA.**
- 3) 23/25 Segmented Font**
- 4) Auto Dimming Photo Sensor.**
- 5) Uncompromised Day Light Visibility. 3000 NIT Brightness Rating**
- 6) Ultra-Wide 140° Viewing Angle.**
- 7) Contrast Enhancing Louvers for 6:1 contrast ratio.**
- 8) Installation Friendly Frame & Brackets.**
- 9) VeriFone Ruby Certified POS Capable**
- 10) User Friendly Wireless Console**
 - o Built-in LCD Screen with On Screen Instructions
 - o Controls up to 32 Price Changers
 - o Retrieve Price History Records
 - o Anti-Abuse Million Code Password Protection
 - o Administrator & Price Change Operator Passwords
 - o Large Keyboard Buttons
 - o Price Update Confirmation
 - o User Preferred Brightness Setting
 - o 360°/700 Feet FCC Approved RF Technology
- 11) Uninterrupted & Regulated UL Class II/2 Lambda Power Supplies**
- 12) Plug & Play One Step Installation**
